This assignment is worth five points. You can choose to use these points for one of the following: in-class written work, a rough draft, or a daily comment. Please indicate which assignment you would like points added to when you submit the extra credit work.

Prompt: How would you alter or change the plot of 'Gladiator' or a specific scene in order to make it more historically accurate? As you are watching 'Gladiator' you may want to take notes.

Requirements: 2 pages, Times New Roman/Helvetica, double spaced.

Due Date: Friday, November 22, 11.59.

*****I have posted two readings (a short chapter from Dunkle, and a journal article) that you may find useful as you begin thinking about this assignment under course materials.

*****Even if you are not planning on doing this extra credit assignment, you may still want to read the articles before we watch the movie.
