Six free apps for:

- Violence Prevention

**Circle of 6**
Choose six trusted friends to add to your circle. If you get into an uncomfortable or risky situation, automatically send your circle a text alert with your location. Also contact hotlines, emergency services, and access resources.

**Hollaback!**
Help end street harassment one hollaback at a time as you catch those creeps in the act and submit your story to be recorded and mapped on ihollaback.com. Inspire the world to take action to end street harassment.

**One Love My Plan**
Everyone deserves to be safe in their intimate relationships. The One Love Foundation created My Plan to help college-aged women, and the friends who care about them, learn about healthy and unhealthy relationships and find resources.

**bSafe - Personal Safety App**
Multifaceted app for everyday safety and real emergencies. Set up your own personal safety network, share your location, ask friends to walk you home, set up a fake call to make the phone ring when you want it to, and send emergency alerts.

**GWEN Alert**
The GWEN alert is a personal safety app to get immediate help in an emergency. This app silently sends an emergency text and GPS location to five contacts who can provide an out. Also call national hotlines and local emergency numbers.

**PreventConnect**
PreventConnect advances the prevention of sexual assault and relationship violence by building a community of people who are engaged in such efforts. Access blogs, courses, events, videos, and even share your personal story.
