Early Assurance Program (EAP) Application Timeline

Sophomores (Class of 2018) may apply to the Middlebury Health Professions Committee (HPC) in consideration of early admissions programs.

2015-2018 Application Details and Timeline

1. There will be an information meeting for interested candidates on Tuesday, October 27th at 6:30 pm in BiHall 438.

2. Interested candidates should complete the process for evaluation by the HPC as outlined in the document called Beginnings for EAP Applicants on the Health Professions Website by: February 5, 2016.

3. It is expected that applicants will have completed one year of chemistry, one year of biology, and a calculus or stats course before the committee evaluation.

4. A subcommittee of the Health Professions Committee will review the pool of applications and recommend up to five candidates to the full committee for evaluation by February 19, 2016.

5. The HPC will endorse and advance applications affiliated medical schools that they determine to be outstanding. Applicants will be informed of the status of their applications between May 23 and June 15, 2016 (to allow for final semester grades, if necessary).

6. The committee letter will be written and forwarded to the respective medical school by August 15, 2016.

7. Nominees will be directed to complete the application of the appropriate medical school between June and September 2016.

8. Nominees will be invited to interview at the respective medical school during Fall 2016, and given a decision soon thereafter.

9. Geisel Dartmouth EAP students will be provided a research opportunity during summer 2017.

10. Geisel Dartmouth EAP students will be expected to have taken the MCAT by the beginning of the senior year, Fall 2017.

11. Matriculation to medical school in Fall 2018.
