On Thursday, September 26th and Saturday, September 28th, The United Way of Addison County, RSVP & The Volunteer Center will be hosting Days of Caring, an event in which hundreds of volunteers will come together to make a difference. **Last year, 700 volunteers completed 120 projects--a \$74,000 value to the community!**

Days of Caring is a great opportunity to volunteer with your family, friends or co-workers! You will leave your volunteer site with a better understanding of the agency's mission, a greater connection to the community and a rewarding sense of accomplishment.

You are invited to the Kick Off Breakfast to learn about our non-profit partners and acknowledge our youth service award winners. All volunteers will receive a Days of Caring T-shirt and can join us for a great team photo op on the Middlebury Green!
