

**Government major.  
Global Markets VP.  
Sound engineer.**

**Let's chat about what you're into, and where you see yourself.**

At Goldman Sachs, we believe who you are makes you better at what you do. For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

The Global Markets Division facilitates client transactions and makes markets in fixed income, equity, currency and commodity products, primarily with institutional clients such as corporations, financial institutions, investment funds and governments. The firm also makes markets and clears client transactions on major stock, options and futures exchanges worldwide and provides financing, securities lending and prime brokerage services to institutional clients.

Interested? We'd love to meet you – join us at our upcoming events to learn more about the opportunities we offer in the Global Markets Division in our Boston office.
