

## MEET MORGAN STANLEY

### FIRMWIDE VIRTUAL PRESENTATION 2024 SUMMER INTERNSHIPS, UNDERGRAD

At Morgan Stanley, we are defined by our people, our founders, our company veterans and our newest recruits. We draw on the strength of their diverse talents and perspectives, generating growth for our clients in ways that are forward-thinking and sustainable. We collaborate across departments and our global network of offices to deliver exceptional ideas and solutions to the world's most complex challenges.

We invite first and second year undergraduate students from all majors to come learn more about how you can put your talent and ambition to work and be part of a team that creates positive change.
