

The Secret Lives of Words, quiz 3  
(lessons 3-5)

Name \_\_\_\_\_

- Identify the suffix, root, and prefix of each of the following words and the meaning of each.
- Include all possible meanings of the prefix and suffix.
- If there is no prefix or suffix, write N/A.
- Some words may have more than one prefix or suffix (the asterisk indicates that the word has more than one prefix or suffix). If this is the case, please list all prefixes/suffixes and their meanings.
- Please send the quiz to me as a pages or word document, or as a PDF, by 10.45 am on Tuesday.

- |                    |   |  |
