"One of the smartest and most original
festivals in the U.S."

Kirby Dick, This Film is Not Yet Rated

"The festival has a thoughtful, hand-crafted
feel that cut right to the genuine."

Aaron Wolf, King Corn

"A real achievement and, judging by the
turnout at the films, one which the town
embraced with open arms. It was an honor
to be associated with the True/False

I would consider the best film festival ever...I
have to get back to True/False!"
