Development
Across the
Disciplines
—Addis Ababa,
Ethiopia**

- Ethics • Literacy and Education • Development in Practice • Politics and Participation •

Interested students should submit a statement that includes major, minor(s), year abroad experiences (past or planned), and any special accommodations that may be needed to participate. (Accommodations for students with disabilities may be limited abroad; advanced notice of special needs will allow us to investigate what may be possible in this course and in Ethiopia.) Also include in your statement, a one-page “essay” explaining why you would like to take the course, your goals for the experience, and the particular strengths, interests, and experiences you would bring to the course. Please submit the essay to Claudia Cooper ccooper@middlebury.edu.

Dates: June 22, 2015 – July 24, 2015

Estimated Expenses: \$6,000 plus travel (**financial aid is available**)
