499 Pierce Street, Monterey, CA

Located in the McCone Building (corner of Jefferson and Pierce)

Intended Audience:

This seminar is designed for physicians, nurses and health professionals who desire more information about pandemic (H1N1) 2009 influenza.

Program Objectives:

As a result of attending this program, participants should be able to:

- Understand the regional and local surveillance data for H1N1
- Become familiar with the clinical picture of hospitalized H1N1 cases
- Explain the vaccination strategies for the 2009-10 influenza season
- Know the county plans for lab testing and antiviral usage for the 2009-10 influenza season
- Become familiar with basic hospital surge plans for the 2009-10 influenza season

RSVP to Lin McCray at (831) 755-4739 or mccrayl@co.monterey.ca.us no later than September 7th, 2009.

The presentational method for this activity will be Lecture and Q&A period, and will be evaluated by each participant at the conclusion of the activity.

Natividad Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Natividad Medical Center takes responsibility for the content, quality and scientific integrity of this CME activity.

Natividad Medical Center designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.
